NIAGARA CHAMBER PARTNERSHIP

In Niagara, nine local chambers have joined together to give you outstanding value with a truly regional experience that you access to a strong regional advocacy voice, more exposure, more connections, and stronger relationships with businesses across Niagara.

The nine organizations that form the Niagara Chamber Partnership (NCP), bring a united presence to regional issues, opportunities for additional networking at joint events, and the power of exposure across multiple Chamber websites and communication pieces, such as newsletters and social media channels.

You will receive the same benefits of a full membership. We forward your information and payment to your designated Chamber(s) who will then list you in their business directory.
